

# OUR SECOND MAYSVILLE PHARMACY LOCATION...OPENS JUNE 2nd

**How do I know which PrimaryPlus pharmacy in Maysville to use?** As a patient, it is YOUR CHOICE as to which location works best for you. It is just important that you specify to your medical provider when refilling medicines which pharmacy location you want to use--TUCKER DR. OR KENTON STATION DR. Also, when refilling medicines...be sure you call or select the correct location via the pharmacy app--selecting the wrong one may cause some delays in your wait time. *Note: PlusPack patient MUST use the TUCKER DR. pharmacy.*

**Can I use both pharmacies?** Yes, you can use both Maysville pharmacies, but again it is important to specify which location during the time of getting a prescription or refilling a prescription to prevent delays.

**Who will be the Pharmacist at the new location?**

Our Tucker Dr. Pharmacy welcomes Misty Wickerham, PharmD as the Pharmacist In Charge, plus you will see many other familiar PrimaryPlus faces.

**What are the hours of Tucker Dr. Location?**

The Tucker Dr. hours will be Monday-Thursday from 8:30 AM to 6:00 PM and Friday 8:30 AM to 5:00 PM. Closed on weekends and closed for lunch daily from Noon to 1 PM.

**Is there a Drive Thru?** Yes, there is a Drive Thru and there is also a nice lobby area if you prefer to come in to pick up your medications.

 **PlusPack  
Customers:**

The NEW Tucker Drive pharmacy location will be the HOME of PlusPack pickups for Maysville. PlusPacks can be picked up at the Tucker Dr. location starting June 2<sup>nd</sup>.

If you pick up your PlusPack at a different PrimaryPlus office or use pharmacy delivery that process will **not** change for you--the new pharmacy opening only effects Maysville pick ups.

**PrimaryPlus-TUCKER DRIVE PHARMACY**
